A THANKSGIVING AND CHRISTMAS HOLIDAY MEETING, RESULTS IN A SAINT VALENTINE'S DAY LOVE

When she first joined our group, Nancy was skeptical. *"Is this really going to work?"* she asked.

Nancy was looking for a gentleman with some very specific qualities. The one that she emphasized most on her profile, aside from the requirement that he be a good Christian man, was that he love animals.

In August of 2003 when Nancy saw Ron's profile, with a photograph of him holding three little puppies, and with a notation that he makes decisions by asking himself the question: W W J D ,

Nancy, member 3009-02 and Ron, member 2927-03, together in Tennessee.

Nancy immediately selected Ron.

Ron and Nancy first communicated by letter and telephone. By Thanksgiving, Nancy was ready to travel to meet Ron on his farm near Walton, Kansas.

At Christmas time, it was Ron who traveled to McMinnville, Tennessee, to be introduced to Nancy's family, and of course, to meet Nancy's goats that she raises.

It wasn't long after meeting each other that Ron and Nancy placed their profiles on INACTIVE status so that they could concentrate on each other and their new relationship. By Saint Valentine's Day 2004, love had blossomed ...full-bloom!

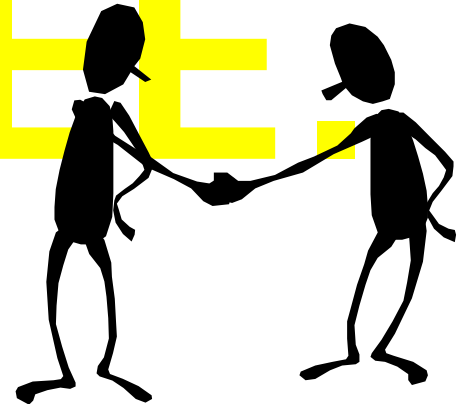

Wisely Ron and Nancy are concentrating first on building a solid friendship, and have placed their relationship in God's hands.

In June of 2004 Nancy will get a summer job near Ron's farm, so that they can get to know each other better.

It is always difficult for country people to get together, because one cannot pick up the farm animals, and the land, and move it with you. Nevertheless, Ron and Nancy are proving that with the help of God, all good things are possible.

Now ALL members get the Guarantee-of-Three or your year is

FREE!

You've heard it said: *"There are no guarantees in life!"*, but that's not entirely true!

With a membership at ANY level, you are guaranteed three selection contacts during your membership year, or your next membership year is entirely free.

We are NOT guaranteeing love, marriage and a baby-carriage, but we ARE guaranteeing that you will find at least three members in our system whom you will decide to select, OR, at least three members will find you and select you, or you do not pay a penny for that unsuccessful membership year.

(If you are selected by someone who is outside of your exclusion requirements, as listed in your profile, than that selection does not count as one of the three, and you would still be entitled to a free membership year.)

If we have not met our Guarantee-of-Three, your renewal due-date is moved forward 365 days at the organization's expense. This guarantee is good, no matter how restrictive your match requirements are, and no matter what membership level you have. The following stipulations apply:

1. To be eligible for the free renewal, your membership must be current and on ACTIVE status during at least half of the previous membership year.
2. You must still keep your profile information and photo(s) up-to-date.
3. The FREE renewal is not transferable or refundable.
