THE NEXT GENERATION

Mehl, Member No. 4456-96; little Brooke and Jake, Member No. 4049-97

About ten years ago, in 1997, Mehl called CSI to invite us to her wedding. She was happy because she was engaged to Jake, and things had gone very well for her. In a blissful voice she said: *"I ended up with the nicest man of them all!"*

Mehl and Jake were featured in our Summer-1998 Newsletter, which is still available on our website at: www.christian-singles.org.

Today, after a decade of marriage, Mehl still feels the same way toward her husband as she did in 1997; and now they are the proud parents of a beautiful little girl named "Brooke"! Brooke would win the *"cutest-child-of-them-all"* award from any judge in any competition for cuteness!

However, while Brook may be the cutest of them all, she is far from the first child born of parents who met and got married through

CSI. We know of many, but we have very few photos of such children who are on this earth because of CSI, (and no permission to print the ones that we do have ...other than the one that is on the front page.)

It simply has not been traditional for couples who meet via CSI to send baby photos. *(It is hard enough to get the wedding photos!)* But, maybe we can change that!

We have been in business for over 18 years now, and it does not take long after marriage for children to begin to appear.

There is nothing like looking into a child's eyes, to make one imagine the future. Seeing the photos of children born of CSI couples, makes us realize that we have changed the world profoundly, and permanently, in a very positive way!

Here is one of my favorite baby-photos; a

1994 CSI baby who happens to be my son, Greg Ryan Gietzen. Like Brooke, he would not be on this earth if it were not for CSI. The photo on the right is his 2007 School Photo.

We are waiting for the first child born of CSI parents to become a member of CSI. That has not happened yet that we know of. However, a beautiful young lady, who was a teenager back in 1992 when her Mother met her Step-Dad via CSI, is now a member of CSI, which is a mile-stone in its own rite.

If you know of parents who have met via CSI, who now have children, please let them know that we are interested in photos of them with their children. We love stories and photos of all CSI marriages, but, especially of families that are complete with children.

If I Join, Will I have Access To Members In Other States? OR, Will I Need A Membership In Each State Sub-Chapter?

For reasons unknown to us, many potential members, and some new members, are under the false assumption, that they will only have access to the profiles of other members in their own State Sub-Chapter.

Unfortunately, when some people are considering the cost of membership, they multiply the various levels of memberships by the number of states that they would like to have access to ...and then mistakenly determine that they cannot afford our membership, or, they send in extra money.

The fact is, only one membership is required. Your membership in any State Sub-Chapter, gives you **complete access to ALL members in all CSI sub-chapters.**

Also, when comparing us to other groups, consider that CSI memberships are paid once, and are **good until married** with a \$25 annual profile maintenance fee, or renewal. There are no monthly fees, and no hidden costs. CSI membership gives you more for the money than any other group. Period.
