VOLUNTEER CREDIT FORM

(Method-C)

Directions: Each volunteer credit is equivalent to one (1) dollar. CSI will give you five (5) volunteer credits, good toward membership or renewal, for each hour of volunteer work that you do without compensation for your church, your city or county government, or for any not-for-profit organization of your choosing that is promoting a Christian cause, and is publicly listed in the telephone directory under their organizational name. The maximum number of credits that any person can claim by this method is 200 credits (40 hours of volunteer work). To claim a credit, fax or mail this completed form to the fax number or address shown above.

Some examples of ways and places to earn volunteer credits are: Doing child care at your church; helping a local pro-life group with mailings; doing carpentry work for Habitat-for-Humanity; serving food at a homeless shelter; walking your block for The American Heart Association; picking up litter along a road, highway or river; doing painting or maintenance work at a not-for-profit hospital; doing office work for your local library. Your imagination is the only limit. Any charitable or community service work that you can imagine will work.

(Check each block that applies)

I am a NEW potential member, who meets the Eligibility Requirements for membership, and I want to earn a:

LIMITED membership (5 hours).

FULL membership (40 hours).
